1.

Dear Ms. Salas,

I am writing in re Broadwater's proposed natural gas project for the middle of Long Island Sound.

What a shame. We've spent millions and worked so hard to clean up this wonderful natural resource that belongs to all of us as well as future generations. We fish here, swim, boat and enjoy it's beauty every day. Please don't give several square miles away to foreign companies.

Thank you.

Marjorie Thompson
